

Building Bridges

A Strategic Planning Institute for Local Interagency Transition Teams New to the Transition Alliance of SC

April 29, 2016

9:30 am - 4:00 pm

Columbia, SC

\$25/person (includes breakfast and lunch)**

Join teaming expert, Dr. Jane Everson, the TASC staff and partners and your colleagues from across the state for a 1-day workshop designed to:

1. Increase your team's knowledge regarding research-based practices in transition,
2. Help your team identify community needs and priorities,
3. Develop a strategic plan for program improvement and
4. Expand your team's network and resource pool.

Whether you are just beginning to develop your transition program, or are interested in filling gaps in an already successful program, your team will leave with a plan for improvement and the resources needed to support you in implementing the plan.

Team registration is now open through April 10th. Seating is limited.
Go to the following link to complete the registration process (including payment):
<http://tinyurl.com/TASCApril>.

**Please note that this is a team event and it is expected that you will register as part of a team consisting of at least two agencies/entities (e.g., LEA and VR, parent, and/or DSN Provider).

If you need assistance in identifying your community partners in order to develop a team, please contact us.

Questions? Contact Joy or Leah at Transition@uscmcd.sc.edu.
